COVID Declaration of Health and Compliance 2020 COVID Liability Waiver Rev 2020-05-30

This form must be completed before you can visit the ranges at the MilCun Training Center.

Only outdoor facilities are open at this time. Their use is permitted based on the assurances that attendees declare - to MilCun and to each other - in this document. Accordingly, any false statements could result in legal liability. Further, you agree to observe and fully abide by all rules and regulations prescribed by MilCun, OSA and your range officer. Any failure will be regarded as a serious safety infraction.

As you are all aware, the virus can be transmitted by asymptomatic people and accordingly the statements made by attendees cannot provide certainty that the virus will not be transmitted. We are taking prudent steps to impose and enforce appropriate protocols to keep attendees safe, but there can be no assurance that the virus won't be contracted by others. This is a risk that each person must assess themselves, and if they choose to attend an event, to take the risk of either contracting the virus or transmitting it to others.

By completing and submitting this form you agree to the foregoing.

I hereby declare that I or anyone in my household has not experienced any cold or flu-like symptoms in the last 14 days (to include fever, cough, sore throat, respiratory illness, difficulty breathing). If I or anyone in my household experiences any cold or flu-like symptoms after submitting this form, I will then not visit the MilCun property for a minimum period of 14 days after these symptoms have completely disappeared.

I Agree

I hereby declare that I or any member of my household have not traveled to or had a layover in any country outside Canada in the past 14 days. If I or anyone in my household travel to any country outside Canada after submitting this form, I will then not visit the MilCun property for a minimum period of 14 days after the date of return to Canada.

I Agree

I ensure that I will practice 'social distancing' of 2 meters. I will not initiate handshakes, hugs, or high-fives. After using any communal equipment (staplers, targets, patches, etc.) I will ensure that they are sanitized.

I Agree

I understand that the outhouses will be available for use. If I prefer not to use the communal toilet paper container, I will bring my own toilet paper. I will sanitize any part of the outhouse fixtures I've touched.

I Agree

I understand that if I do not comply with these requirements, I may be banned from future use of this facility.

This agreement will remain in effect until MilCun Training Center declares these terms of use are no longer in force.
